## **2<sup>nd</sup> Half Real Estate Tax Collection ends August 12**

YOUNGSTOWN – Mahoning County property owners have until **Friday August 12, 2011**, to pay their 2<sup>nd</sup> half real estate taxes and avoid late penalties, Treasurer Daniel R. Yemma reports.

**The Mahoning County Treasurer's office offers a number of methods to make tax payments:**

- Tax payers can pay taxes **online by check or credit card**. The Mahoning County Treasurer's Office has been successful in negotiating a reduced convenience fee for credit card payments. Please refer to: <http://treasurer.mahoningcountyoh.gov> .
- Payments can also be **mailed** to Mahoning County Treasurer Daniel R. Yemma, 120 Market St., Youngstown, OH 44503. Any payment that is **postmarked on/or before August 12<sup>th</sup>** will be recorded as on time.
- Finally, the treasurer's office is open from 8 a.m. to 4:30 p.m. Monday - Friday for taxpayers who prefer to **pay in person**.

Approximately \$105 million has been charged to the county tax duplicate. The money is dispersed to beneficiaries of each taxing district in the county. On average, two-thirds of real estate taxes are returned to local school districts. The remaining funds are shared by countywide voted levies for parks, libraries, children's services and more Yemma said.
